ABOUT US

Dream Dhow is a family business. It's owned by us (Julia and Yusuf). We have been living in Zanzibar since 2019 and got 2 kids.

We are both very passionate about the sea and loves the nature.

Yusuf has been working as a diver for many years, and Julia is a hobby diver.

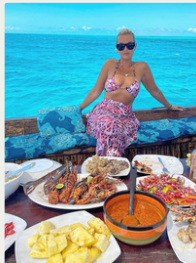

The first trip took place in September 2020 and since the first day, we have been growing quickly because of our high service and unique, beautifully traditional Dhows.

We focus on high quality service, safety on the sea and all our staff has long experience with the sea. They have worked as tourist guides, snorkeling guides and sailors long time before they joined Dream Dhow.

Happy clients are the most important thing for us
