ABOUT US & our Team

Dream Dhow is a family owned business founded by Julia and Yusuf, based in Zanzibar. Since our first trip in September 2020, we have been growing thanks to our passion for the ocean and our high quality service.

We specialize in luxury experiences on beautifully crafted traditional dhows, offering our guests a relaxed, safe, and memorable day at sea.

Safety and quality are our top priorities. Our professional crew has many years of experience as sailors, snorkeling guides, and tour guides, with deep local knowledge of Zanzibar's waters.

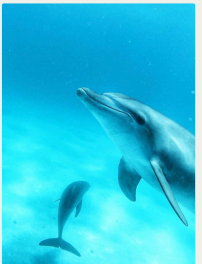

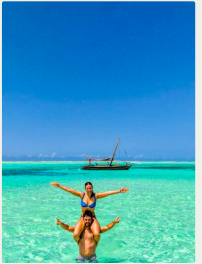

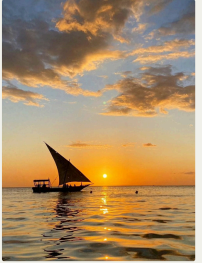

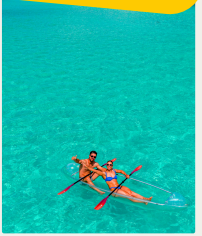

Yusuf is an experienced diver, and together with our dedicated team, we ensure that every trip is personal, well organized and enjoyable.

For us, happy guests are what matter most
